## 2way Dive Swimming Cap

- Made with highly elastic fibers, enabling the cap to fit softly and comfortably on the head.
- The deep cap style covering as far as the ears does not slip off easily, so the cap will not fall off even when the wearer dives or jumps into the water.
- Students with long hair can also wear the cap comfortably.
- Cloth has undergone chlorine resistance processing.
- White space on the front of the cap for writing the owner's name.
